JOIN OUR COMPETITION AND  
PUT YOUR TALENT TO THE TEST

## INTER-UNIVERSITY LEAGUE

Jan 15 2014 - Feb 15 2014

Compete with students from different universities of your country to move on to the virtual stage.

## VIRTUAL STAGE

Feb 24 - March 23 2014

You will have the opportunity to work with students from other countries, setting up multicultural and virtual teams. Put your talent to the test by solving one challenge based on a real project or business of Indra. The solution to the challenge should be anchored to the values that define Indra: Determination, Rigour, Awareness and Originality. Four universities will be identified to advance to the Onsite Stage in Mexico.

## ONSITE STAGE

April 24 and 25 2014

Qualified universities will travel to Mexico (travel expenses included) to participate in the Semi-Finals and Finals. Just for reach this Stage each student will receive an Ipad. For each stage, new set of challenges based on Indra projects will be provided.

## WHO CAN PARTICIPATE

University students from Latin America, Europe, Asia and Oceania completing degrees in Computer Engineering, Industrial Engineering, Electronics and Communications Engineering, Telecommunications, and other computer related courses may join the competition. Students must have strong initiative, high level of English language, and excellent social and communication skills.
