How to sign up in Atenea?
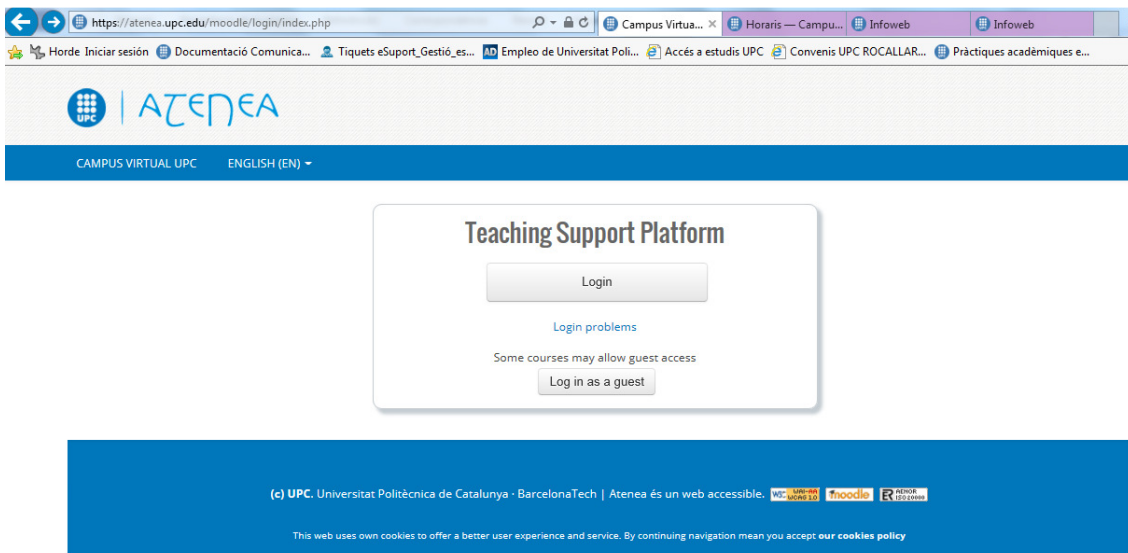

1 – Enter the school webpage and click on the "**Atenea**" link or banner.

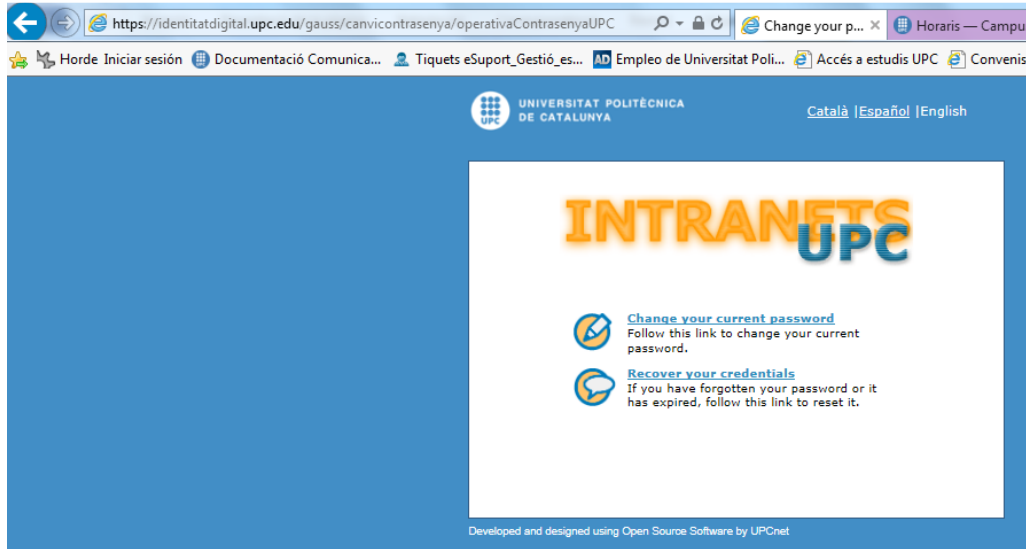

2 – When you arrive to 1st screen https://atenea.upc.edu/moodle/login/index.php, probably you have to change the language of communition on the blue line and then you will have to select "Login Problems".
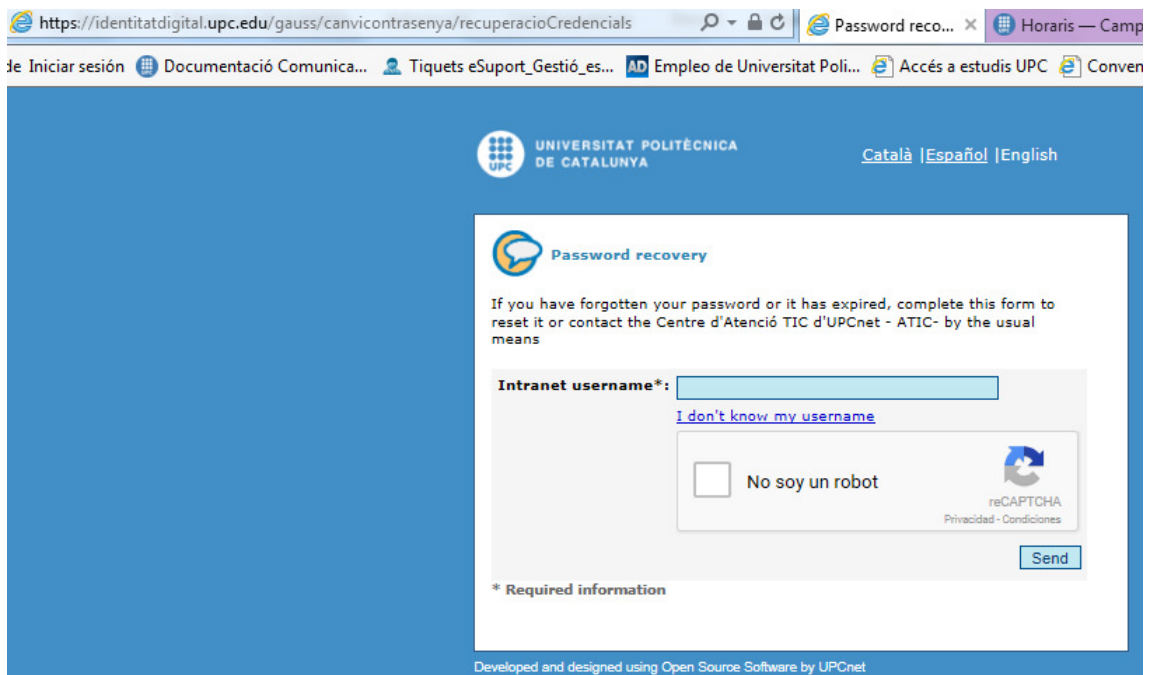

How to sign up in Atenea?

3. Then in the new screen, you will click in "Recover your credentials"

Then you have to follow instructions, especially when you don't know your username.
